Audio/visual equipment needs:

MAPP-SD does not charge for services, but we do ask that you provide any audio/visual equipment (i.e. power point projector and lap-top computer, VCR and TV)

Would you be able to provide such equipment?

yes no

If not, are you able to locate/rent equipment for the presentation?

yes no

MENU OF CLASSROOM PRESENTATIONS:

1 classroom presentation – includes student activities

Plus 2 follow-up student activities for teachers to use with their lesson plans

LifeSkills 2 weeks meth specific Booster lessons for Middle Schools currently using LifeSkills

LifeSkills 15 weeks/lessons for Middle School Students (includes 2 meth lessons)

Handouts: Master copies of handouts can be left following the presentation for Teachers/Administrators to reproduce for students.

Parent Newsletters: MAPP-SD has produced 5 parent newsletters that can be used by the school to distribute to parents. The first newsletter will promote and explain the classroom presentations. The remaining 4 educational newsletters can be used/sent out by the schools at any time during the year to help parents understand the dangers and consequences of meth use and manufacture. The newsletters also offer tips on how to talk to a loved one about concerns related to drug and alcohol use.

Please send/fax or email your request to:
